WORDS ON WINE

Each PIG hotel has its own unique wine list that has been carefully curated by the Sommeliers in each of our locations. Along with our focus on finding the best wines from our own shores, our teams look for wines made by family producers with an emphasis on sense of place and sustainability. We look for wines that are benchmark examples from their region that are made by iconic, family producers with compelling stories for us to share with you. With our network of friends across the wine trade we have access to some of the most sought-after bottles on the market, so each list is full of hidden gems.

The winemakers that we choose to represent often use organic or biodynamic methods in the vineyard and naturally avoid the excessive use of additives in winemaking with the aim of making honest wines with authenticity. While plenty of our wines could be considered 'low intervention', they are finished classically so have a clean expression with purity of fruit.

The wine list is set out by style, rather than geographically so if there is something particular you are searching for, please have a chat with our Sommeliers as we are likely to already stock an old favourite or be able to guide you into uncharted waters. If you prefer to drink by the glass, we have an extensive seasonally selected offering and use Coravin to ensure the freshness of fine wines. Our teams will gladly pair by the glass wines with each course if you desire, so please ask!

FRIENDS OF THE PIG

At THE PIG, we're always on the lookout for the very best artisans, and we've handpicked three of the finest sparkling wine producers from across the UK. Not only are these winemakers' friends of THE PIG, but they also offer a wonderful snapshot of the diversity and innovation the UK wine scene has to offer. Think elegant blends and expressive styles, these wines highlight the very best of the three counties.

SUGRUE

In 2006, Irish winemaker and Sussex local, Dermot Sugrue, planted a small vineyard tucked away in Madehurst – the same quiet hamlet as our very own THE PIG—in the South Downs. Dermot has long been a figurehead of England's booming sparkling wine industry, spearheading many of the UK's leading brands from Wiston Estate to Nyetimber, and is one of the most successful and awarded winemaking rockstars on our home soil!

HAMBLETON

Hambleton Vineyard was founded in 1952 by Sir John and Lady Cobb, who sought to revive England's rich winemaking heritage. Based in the heart of Hampshire, the vineyard benefits from a unique combination of chalky soil and a cool climate – the ideal place for producing sparkling wine. Today, Hambleton is owned by two of the most historic wine businesses in the world: Berry Bros & Rudd and Symington Family Estates.
